

Accessibility Statement

Ashley Cleaning Services Limited is committed to ensuring digital accessibility in line with the Equality Act 2010 and the Public Sector Accessibility Regulations 2018. We strive to meet WCAG 2.2 AA standards to provide an inclusive online experience for all users. This statement outlines our commitment to maintaining an accessible website and how to contact us regarding accessibility issues.

Our Accessibility Commitment

We strive to follow the best practices for accessibility, guided by the Web Content Accessibility Guidelines (WCAG) 2.1, Level AA standards, developed by the World Wide Web Consortium (W3C) as part of their Web Accessibility Initiative (WAI). These guidelines help make web content more accessible for people with a wide range of disabilities, including visual, auditory, cognitive, and motor impairments.

Our Accessibility Efforts

- We use accessibility-conscious design techniques in the websites we create and maintain.
- We test our work using tools such as WAVE and Lighthouse to identify and address accessibility issues.
- We stay informed on updates to WAI guidelines and continually seek opportunities to improve.

Accessibility on Our Website

We aim for our own website to be accessible and user-friendly for all visitors. We have designed it with accessibility in mind, including appropriate contrast, scalable text, keyboard navigation,

and screen reader compatibility.
